

Hot Air Balloon Experience | 5:00am

Take a hot air balloon ride high above the clouds and discover the stunning landscape of Napa Valley.

This fun-filled adventure is one of the most memorable ways to tour the famous Napa Valley wine region. Hot Air Balloon rides fly over the valley during sunrise. This is when the winds are the calmest and the views from above are the most spectacular. Your balloon will float with the winds, so each day offers a slightly different ride. You will then spend about an hour or so gliding above the vineyards, watching the sun rise, and soaking in the beauty all around you. A typical ride lasts around 45 minutes to one hour. However, the entire tour lasts around 3 1/2 to 4 hours.

***Please note, this activity will last until around 9:30am and wine tastings will begin around 10:00am.**
